

Dancers to Japan

The White Hawk Dancers, of Watsonville, will leave the United States tomorrow for 10 days to perform at Shingu, Japan — Santa Cruz's sister city — and the World Exposition in Wakayama. Ten dancers are being

sponsored by the sister city. They have been busily refurbishing their native costumes with new feathers and rattles for two weeks. Leader Yermo Aranda and his wife, Anai-i, will chaperone the dancers, who range in age from 12 to 24. The group will return Sept. 2.
